Camp Tamarack is a charity-run camp for learning disabled Children and Teens. In order to operate each year parents and/or family friends of campers must participate in the fundraising for their Child. If your Child is to attend Camp Tamarack 2016 we require the following contract signed and returned with your application: If you do not intend to fundraise you are required to cover the cost of camp fees.

1. SENDING OUT LETTERS

Each parent is required to send out no less than 30 letters requesting assistance from Service clubs and/or businesses. These letters must include information about Camp Tamarack, as well as information about your Child. Should you need assistance with these letters please call the office. We require a list of clubs and businesses you have contacted, no later than May 31, 2016. We need to know how you are covering your Child's camp fees.

2. WALK-A-THON

Each family is expected to raise funds for the Walk-A-Thon. This fundraiser is designed to help parents raise the money they need, while at the same time informing the public about our camp. A minimum of \$500.00 per camper is required SO START EARLY!

4. OTHER FUNDRAISERS AS DECIDED BY THE BOARD

Every family is expected to participate in Board fundraisers in their area. Each area of the province will do different fundraisers. The type of fundraising that may be arranged is determined by how many Children are coming from the area.
