

Dear Parent:

Please find enclosed information about Camp Tamarack, along with an application that has 6 parts.

- Parent Form
- Teacher Questionnaire
- Camper Medical Information Form
- Release of Medical Information
- Conditions of Enrollment
- Fundraising Commitment

It is the parent's responsibility to make sure we receive all forms back as quickly as possible. Please remember that this camp is limited in size, and that spaces fill up very quickly.

The camp fees for 2016 have been set at \$2,500. We are now offering an early bird fee of \$2,250 for those families that have the **complete** application documents into the office by March 1.

Applications must be sent in as soon as possible with a \$250 non-refundable deposit, which will be applied to the camp fees. Fundraising can be started once your application has been sent in. Please Note: it is the parent's responsibility to approach the business and organizations in their area for financial backing. We are willing to help in any way possible. Please call if you need assistance with writing letters. We have enclosed a sample letter for you to use when approaching these organizations.

Most service clubs are very generous in supporting the children who attend our camp. It is just a matter of asking them. Should any of the service clubs you approach require more information, or would like a representative to attend one of their meetings please let us know and we would be very happy to send someone. Please send the list of the clubs you have contacted to the Tamarack office so that when funds come in you can be credited with that sponsorship.

We also need the family' commitment to help with fundraising. Bingos, Walk-A-Thon, and raffles are examples of past fundraisers in which families were able to become involved.

If you have any questions please feel free to contact the office. Thank you for your interest in Camp Tamarack, we hope that we will be able to provide service to your child.
