**Please do not photocopy this letter. It is a sample only.**

Dear \_\_\_\_\_,

We are approaching your organization for support to send my Child to Camp Tamarack 2016. Camp Tamarack is a summer school for Children and Teens with Learning Disabilities. It is the only one of its kind in Western Canada.

The Children who attend Camp Tamarack have custom designed programs created specifically for them by provincially qualified teachers and students studying in the fields of education and related disciplines. The camp fee for 2016 is \$2500.00. This covers professional tutors, room and board, transportation, laundry and materials for academics and recreational activities.

Some families are able to pay the tuition with the help of friends or relatives. Others have access to community groups who assist in sponsoring their Child. We are approaching your organization, as we would appreciate your financial assistance in sponsoring our Child.

We feel it is vitally important that our Child attend Camp Tamarack 2016 and have the chance to develop into the best person they can be. Without the support of organizations like yours across the province, many of the Children would not be able to attend Camp Tamarack.

**Note:** here, add personal information about your Child. For instance, the Child's name and age, how they are doing in school, and what difference Camp Tamarack will make in their life. You may wish to include a photo of your Child, if you wish.

The Tamarack Foundation is a charitable non-profit organization; therefore, donations are tax deductible. An income tax receipt will be issued for all donations. Please send your donation to the Tamarack Foundation, but please indicate that it is to sponsor my Child, by adding their name to your donation letter. The mailing address is below:
